Jewish Roots of Pentecost

Don't Pass Over This Opportunity.....

Shalom Pastor and Family in Christ Jesus!

My name is Teresa and I wanted to give your church the opportunity to host our Jewish Roots of Pentecost message.

The Feast of Pentecost, Feast of the First Fruits, or Shavuot in Hebrew which literally means Feast of Weeks is best known to the Christians simply as the Day of Pentecost. It is the day when Christ was glorified, the Holy Spirit came down and the Church was born. Leviticus 23, the Book of Ruth, Joel and Acts are all wrapped up in a dynamic message by Reverend Igor Ashkinazi. He will explain all the power, miracles, signs, wonders, prophecies and the blessings of that feast which is for the believers today.

We have shared this message in Churches all around the United States and letters have come back by attendees who have richly been blessed and touched by the message and powerful presentation. Don't miss this opportunity to have this message shared in your church.
